Admissions Tests:

- Some courses at some universities will require you to sit an Admissions Test. In general, if you are applying to Oxford or Cambridge or to Medicine & Dentistry at any university, you are likely to need to sit a test. Some universities also require tests for Law and Maths and occasionally other subjects. On your UCAS application these will show in blue text on the choice card.
- **It is *YOUR* responsibility to ensure you are entered for the appropriate test.** Look at the website for each course you apply to. Further information on the UCAS website. If in doubt speak to Careers.
- **The majority of tests are sat at Pearson Vue Test Centre (St Andrew's Street Cambridge)** <https://home.pearsonvue.com/Clients/uatuk.aspx>. Students must book these tests directly with the test centre, NOT Hills Road.
- **STEP** for Maths admissions at University of Cambridge and some other universities; sat at Hills Road in June alongside A levels. You will be emailed about this by the Exams Office, later in Year 13.
- Many of the courses at Cambridge have 'College Admissions Assessments' which are taken 'at interview'. You do not need to register for these.
- Support for tests is provided by the relevant department at Hills Road. Support for UCAT is delivered by MedSoc and support for LNAT is delivered by the Law Society.
- **Paying for Tests:** for those on a low income, some tests offer bursary support. You can also ask in Student Services if the cost of tests is an issue.

Choices

- Be careful of those with similar names, e.g. University of Manchester / Manchester Metropolitan University.
- You can add 1 or 2 choices now and add the rest when your application has been sent to UCAS, up to 14 January 2026.

- **Once choices are added you must mark the section as complete to be able to submit.**
- Choices are not added in any preference order. Universities/colleges cannot see where else you've applied to.

How to Pay & Submit

1. Your UCAS profile on your Hub must be complete and showing '**Ready to Send**' before being able to '**Review and submit**'.
2. At the bottom of the application, click '**Accept and proceed**' (or return to application if you want to make more changes).
3. Check, and where necessary, update your marketing preferences.
4. Tick the box at the bottom of the page - '**Accept and proceed**' - to confirm you have read and understood the terms and conditions.
5. **Free school meals:** make sure you have selected the correct option in the 'More about me' section. Select 'Apply with FSM fee waiver' button; your fees are waived.
6. **Everyone else:** select '**Pay now**' and you will be asked to enter your card details. The fee is £28.95.

Process after you have paid and submitted

- Make sure you come to the Gap Year Personal Statement day on Friday 29 August – you can show your personal statement to your tutor then. After this, you can email it to your tutor but they may not have the time to check it.
- When you've paid and submitted your application, it will go to Careers at Hills Road to check and add the reference and predicted grades (where applicable eg for resits).
- If there are amends you will be messaged. When you've responded, Careers will unlock your application so that you can log on and make the amends.
- Careers will then send the application to UCAS. They aim to send applications to UCAS within four working weeks of you paying and sending, as long as you respond to requests to make amendments.
- Please email careers@hrsfc.ac.uk if you have any questions about your application.

Don't forget!

- Email address – use a personal one, not Hills Road.
- GCSEs (or equivalent), with results, under your secondary school. Most students will enter GCSE (9-1).
 - Combined Science GCSE – add this as 2 GCSEs, with both grades.
- GCE Advanced Levels (A-Levels), grades, check exam boards.
- If you are adding extra qualifications such as sport, music or dance, please add these under the teacher/institute you studied at – you can add these manually. Please add only the highest level achieved/working towards.
- Choices - you can add 1 or 2 choices now and add the rest through UCAS Hub when your application has been sent to UCAS.
- **Extended Project (level 3)** must be included under Hills Road (unless officially exempt), with title of your project in the 'subject' field; grade; OCR.
